*“together we can make a difference”*

## Pennies from Heaven

Pennies are small coins that often lose their relevance in our society today, but adding all those pennies together can make a big difference to our charity. So why not allow us to look after your pennies for you?

When pay packets are generated there is often an odd amount of pence on the end of the total paid. If your company was to take part in this scheme you will encourage your employees to give us the odd amount of pence from their payslip, per week or month, depending on how regular payments are made.

All we ask is for the odd pence on the wage slip to be deducted and put into a charity account set up for the purpose. Then at intervals that suit your company the money in the Pennies from Heaven charity account is paid to the Nightingale Community Hospice Trust (NCHT).

This is a fantastic way to support the NCHT!.

If you decide this is the way you would like to support us here at the Nightingale Community Hospice Trust then please give us a call on 020 8366 9674 or email [mary@nightingalehospice.org.uk](mailto:mary@nightingalehospice.org.uk)
