Booking Terms and Conditions

1. In order for you to recover reimbursement of the booking deposit and the cost of the training and the jump, you must raise the minimum sponsorship level as detailed in the 'Paying Your Sponsorship Money' page enclosed in this pack.
2. The cost for the training and the jump must be paid on the day of training and this payment is totally non-refundable even if you do not jump for any reason.
3. Should the weather be unsuitable for jumping on the day it will be up to you to return to the parachute centre on another occasion(s) if necessary to complete your jump.
4. All booking deposits are completely non-refundable. However, the standard booking deposit is valid for twelve months from the date of booking and should you be unable to complete your jump due to inclement weather alternative arrangements will be made. This fee is payable to NCHT and covers various costs including without limitation assisting you to find an airfield where you may carry out your jump .
5. A fee of £50 will be charged for all cancellations or changes of jump date. This is in addition to the standard booking deposit and is not in any way deductible from any sponsorship money raised for a charity.
6. NCHT in consideration of the payment of the booking deposit will take all reasonable steps to arrange your jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. NCHT use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by NCHT as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

Medical Restrictions

For a tandem skydive you must be at least 16 years old and be under 15 stone in weight (13 or 14 stone at some centres - please contact us for details). The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. **Please note that this does not cover you or your dependants for personal injury including death.** You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate. You can do this either in conjunction with your own insurance broker or you may call us on the number below and we will send you a Personal Insurance Form. If in any doubt you should seek independent advice.

IMPORTANT NOTICE

Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless NCHT against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).

I confirm I have read all the above sections marked Booking Terms and Conditions, Medical Restrictions, Insurance and Important Notice, and I understand and agree to be bound to those terms and conditions and to comply fully with the same.

10,000 ft Freefall Parachute Jump!

What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

Points to remember:

- Jump and training completed in one day.
- Harnessed to an experienced parachute instructor at all times.
- Jump from at least 10,000 feet - just like the professionals.
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone.
- Landing controlled by your instructor.
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

What must I do to qualify for a free jump?

All you have to do is raise £395 (or more!) in aid of **The Nightingale Community Hospice Trust** by asking your friends and colleagues to sponsor you, using our specially designed sponsorship forms which you will find at the back of this information pack. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £395 sponsorship and remember, every penny you raise over the minimum will be further contributing to The Nightingale Community Hospice Trust and giving **you** the chance to make an exhilarating freefall parachute jump for FREE!

Read the following pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and then simply choose a date for your jump and complete the enclosed reservation form. After that all you have to do is make an exhilarating Tandem Skydive from 10,000 feet for FREE!

This is your chance to experience 120mph freefall!

Important Information

When can I jump?

You can jump whenever you want, you just need to let me know the date and how many people will be jumping. Call Mary on 020 8366 9674 and she will arrange your jump with the airfield.

Where is the airfield?

There are over twenty British Parachute Association approved centres across the UK which are indicated on the enclosed map. Once we have received your reservation form we will do our best to place you at your nearest available centre but if this is not possible we will contact you to discuss the alternatives.

Are there any restrictions on age or health?

For a tandem skydive you must be at least 16 years old and be under 15 stone in weight (13 or 14 stone at some centres - please contact us for details). The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Pre-existing physical conditions will not necessarily prevent you from taking part but please do inform us of any physical condition as this may affect the location of your jump. If you are in any doubt then please contact us for further information.

What about insurance?

You will automatically be covered for up to £2,000,000 third party insurance but this will not cover you for personal injury. Should you wish to take out cover for personal injury you should either arrange this through your own broker or you can contact us on the number below and we will send you a Personal Insurance Form.

How do I book my place for a FREE jump?

Simply complete the enclosed reservation form and send it to us as soon as possible and certainly no later than the latest booking date indicated on the form. Please note you must also provide a £70 booking deposit (which can be taken out of your minimum sponsorship money) which should be made payable to 'NCHT'.

Paying your sponsorship money

You have four weeks from the date of your jump before your money to the Nightingale is due. Full details of our sponsorship payment system are included on the following page entitled 'Paying Your Sponsorship Money'.

Finally

We sincerely hope that you decide to give it a go - it has often been described as a thrilling 'once in a lifetime' experience and is an excellent way in which to raise funds for such a worthwhile cause. There will be lots of other people trying parachuting for the very first time on the day, so you are welcome to bring along your friends and family so they can watch you on a day you will simply never forget: The day you perform an exhilarating **10,000 feet tandem skydive** in aid of The Nightingale Community Hospice Trust.

PAYING YOUR SPONSORSHIP MONEY

TANDEM SKYDIVE

The following sponsorship system makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance. Remember, as long as you raise the minimum £395 sponsorship level you can recover both the cost of the booking deposit and the jump from your sponsorship money - which means you get to jump for FREE!

PAYING FOR YOUR JUMP AND SPONSORSHIP MONEY

All airfields require you to pay for your jump on the day which will be approximately £195, depending on the airfield. Once we have received your reservation form we will advise you of which airfield you will be jumping at and how much to pay them on the day.

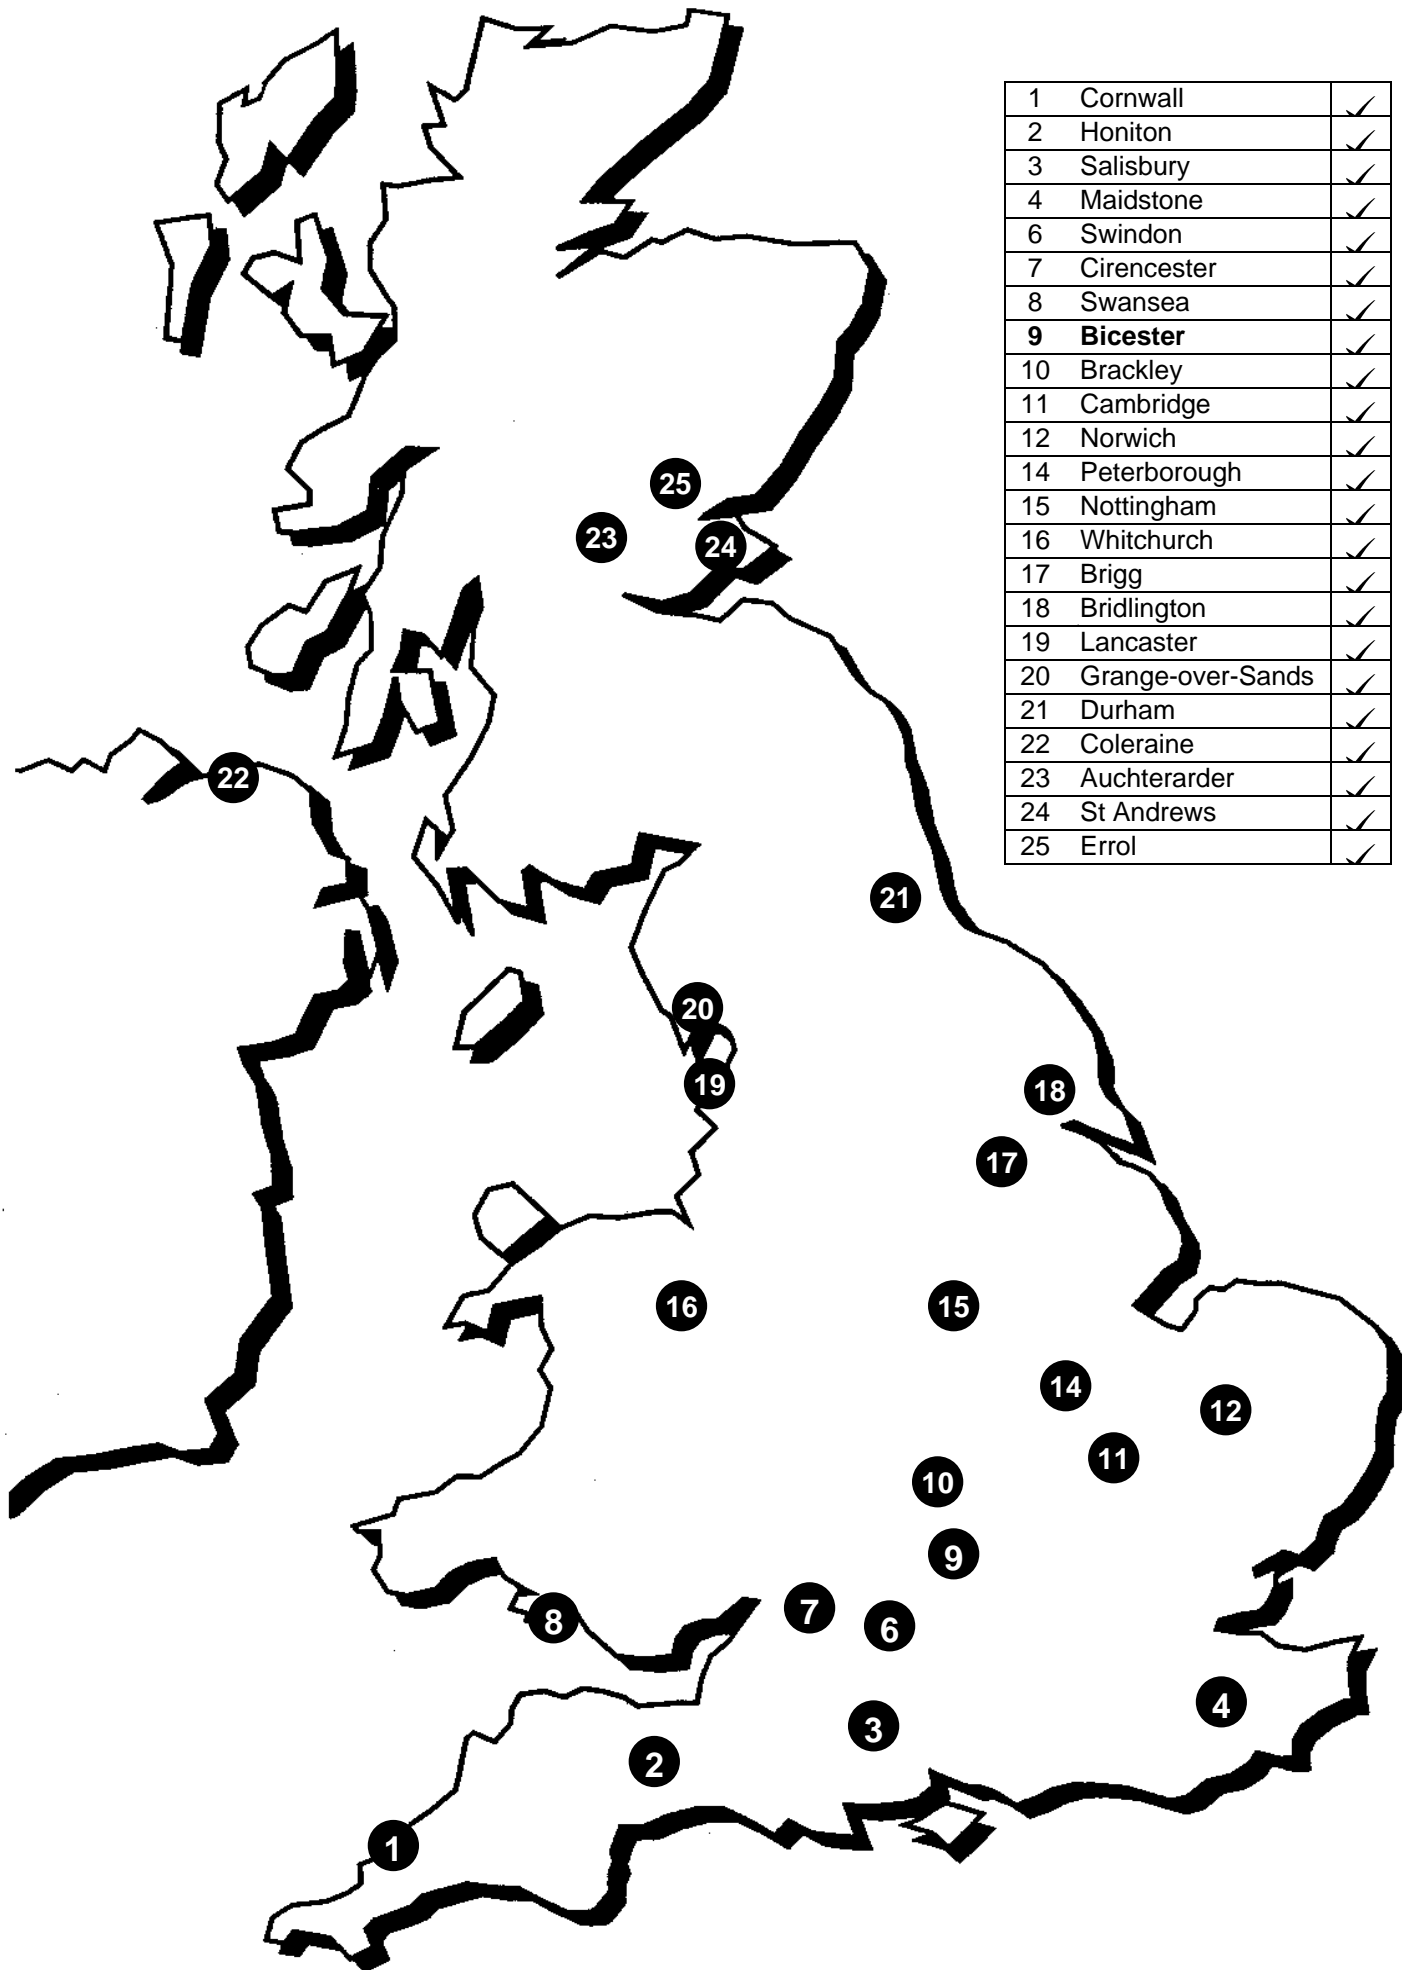

The outstanding sponsorship money owing to The Nightingale Community Hospice Trust (approx £200 depending on the cost of the jump at your local airfield) will not be due until four weeks after the date of your jump. This money to the Nightingale will be collected at the airfield on the day in the form of post-dated cheques (which must be guaranteed by a cheque guarantee card). This post-dated method of payment makes it as easy as possible for you, allowing you plenty of time to collect your remaining sponsorship money after the jump before it is due to the charity.

Precise instructions on how to operate the above system (including how much to pay your local airfield on the day and how much sponsorship money is due to the charity) will be sent to you upon receipt of your reservation form and booking deposit.

NOTE We cannot start organising your jump for you until you send in your reservation form and appropriate booking deposit - please do this as soon as possible so that we can give you the date of your choice and so that you can start preparing yourself for what has often been described as 'the experience of a lifetime'!
