Email subject:

I'm Walking The Night Hike 2026

Email content:

Hi/Hello/Dear [\[insert recipient name here\]](#),

To help raise money for The Nightingale, I will be walking [\[5K/10k/15k\]](#) for their Night Hike on Friday 15th May.

The Nightingale Cancer Support Centre is an Enfield-based charity dedicated to supporting people affected by cancer, be it cancer patients, their families and friends. The Nightingale is incredibly close to my heart because [\[personalise your reasons for fundraising here\]](#). The free support they provide is vital in helping hundreds of people come to terms with and cope with their changing lives due to a cancer diagnosis.

I have a fundraising target of [\[insert target here\]](#) and I would be so grateful if you could help me reach my goal. Every pound counts!

The easiest way to donate is through my JustGiving page: [\[insert JustGiving link here\]](#)

1 in 2 people will be diagnosed with cancer at some point in their life, which means we will all be touched by this devastating disease. Through your sponsorship, we can make sure no one goes through cancer alone.

If you're not in a position to donate, I completely understand. If you're able to kindly share my JustGiving with others instead, that would also be fantastic.

Thank you so much for your support!
