

Become A Volunteer At The Nightingale Charity Shop

What makes volunteering at The Nightingale Charity Shop your next role? You get to;

- Make a difference
- Meet new people
- Learn new skills
- Give back to your community
- Have fun along the way

Make a difference in our shop

We're passionate about what we do and love giving pre-loved clothing and other items the chance to find a new home. Our shop volunteers play a vital role in raising essential funds for The Nightingale as we work to provide free cancer support to people in Enfield diagnosed with cancer.

Our Shop Volunteers are at the heart of everything that happens in our shops, and there's plenty to get involved with. No two days are quite the same, and you'll have the opportunity to get involved in a variety of activities, like;

- Sorting, preparing and pricing donations
- Welcoming and chatting with customers
- Serving customers using the digital till
- Creating eye-catching window displays
- Keeping the shop floor organised and inviting
- Helping the Managers with the day-to-day running of the shop

We understand that everyone has different commitments. We simply ask that you're able to volunteer for one morning or afternoon (a 4 hour shift) each week.

Everyone is welcome

Everyone has something valuable to contribute, and you can make a real difference. We welcome applications from people with all kinds of skills, backgrounds and experiences. You don't need previous retail or charity shop experience as full training and support will be provided. What matters most to us is that you:

- Enjoy being part of a team
- Are open to learning new things
- Enjoy meeting and helping people
- Are proud to represent The Nightingale

Come and be part of The Nightingale team; your time, skills and enthusiasm could make a real difference.

Complete our [Volunteer Application Form](#) today. Our Volunteer Coordinator will be in touch in the next few weeks to have a chat about your application, set up an interview and a trial shift to have a go at some of tasks our shop volunteers do every day.
